

Pillman Family in Ecuador

How beautiful upon the mountains are the feet of him who brings good news. Is. 52:7

Dear family and friends,

“O give thanks unto the Lord: for He is good: for His mercy endures forever.” Psalm 136:1 We are so grateful for God’s great and unfailing mercy. We recognize more and more how much we need His mercy each and every day!

Praise the Lord that both Justo and Tricia have their permanent residency visas and that, for the time being, Nathanael is on a six month visa. We are glad for a little break in visa paperwork, though it will be short-lived. Our latest counsel from the visa office is to wait a few more months and then return to discuss options for Nathanael. Please continue to pray that we can work out a long-term, legal option for him to remain in Ecuador.

As usual, we have been busy with the work of the church. We have been able to serve different families in various ways over the past couple months such as helping a young couple move, visiting a mother suffering from morning sickness, and encouraging another young couple struggling with tough issues. We praise the Lord for each opportunity to impart God’s grace, love, and truth to these special people. Justo has also had his share of adventures with the youth, and Tricia and the kids got to join in on one of them. Justo continues with his two weekly Bible studies, Bible school

classes, and homeschool interaction. Tricia is also

moving forward with her Spanish lessons and has been attending a weekly women’s Bible study group as well.

We look forward to welcoming a mission team from Ebenezer Free Lutheran in early December.

Happy Thanksgiving and Merry Christmas!
Love,

Justo, Tricia, Nathanael, and Hannah
